

# Big Red racing

A worldwide  
off-road  
thrash fest.

**"A fast paced arcade racer with  
break neck speed and multi-player  
madness."**

**-Strategy Plus**

**It's a full out, kidney crunching, pedal to the  
metal, get massive air kind of game.**

**The rules of the road do not apply.**

- **Split screen, modem and network play for  
up to 6 players!**
- **24 international tracks on 7 different terrains:  
dirt, water, snow, quarry, city and sci-fi. All  
demand different skills to master them.**
- **Drive 16 way funky racing vehicles including  
helicopters, hovercraft, lunar buggies and  
jeeps.**
- **Choose from 6 outrageous characters to  
drive you to victory.**
- **Complete MTV style CD soundtrack and  
intro, featuring original music by Hangnail.  
Plus, optional play-by-play commentary.**

## System Requirements:

- 486 or greater  
processor
- DOS 6.0 or greater  
WIN 95 compatible
- 8MB RAM
- SVGA Graphics card
- Double Speed  
CD-ROM drive
- Supports all major  
soundcards
